Canteen 2014

Thank you to those who were able to attend our special School Forum canteen meeting on Tuesday evening. It was a very productive discussion. We looked at ‘Why we have a Canteen?’ and healthy options and variety. Next year will bring some positive changes to the canteen operations and there will be a survey distributed next week asking families for their thoughts on a few suggestions.

Year 3/4 Mullumbimby Museum Excursion. Thursday 14th November, 2013

Last Thursday we went on a amazing excursion. I learnt that bullocks were most helpful in transporting logs. By Dylan

My experience at the Mullumbimby Museum included learning so much but the most interesting was learning about machines that were used when Mullumbimby was first built. By Maija

I learnt that there were things so delicate that they weren’t easy to replace. By Aniela.

In the olden days they put metal sticks into fires to brand the cows so they knew whose cow it was. By Teleah.

Did you know that the Mullum Museum used to be the Post Office?
By Mia

Today at the museum I learnt that aboriginals used big, round stones as basins for grinding and the small ones were for crushing. By Jasmine Dott
